diagnosis, but it's so hard and scary.

Penny and I have been together since we were about 18 years old, I think I have mentioned that before.

We thought we had more time and we even got good news yesterday that the cancer was not in her adrenal gland, only her lung and they thought they could operate.

Waiting for the results of the tests she had done is driving us nuts so a little shopping trip helped her.

I'm not sure what to say but tomorrow she is seeing a lung doctor then schedule her pet scan.

What Matters Most is Kindness.
