Please keep Penny in your prayers.

I just want to say thank you to everyone who put her on your prayer lists and who have prayed for her behalf.

Imagine me rolling around the TV room floor stuck in the tube! Even I'm laughing

This is probably because she has been sick for about five years now.

Tuna, Raisins, Onions, Potato peels, Moldy foods, Mushrooms, Milk, Ham, Liver, Grapes, Garlic, Fat, Dough,

Penny is like her second mother, my daughter has always called her Mommy Penny! Especially since we just lost our dear friend Cathy a little over a year ago of lung cancer and my daughter was very close to her too.

As my minister said, "it may have been to soon for us, but it wasn't too soon for Penny.

As you can tell this is a very close family.

When we were driving home, she was a little weepy and I held her hand

Thank you for being such a good friend.
