As my minister said, "it may have been to soon for us, but it wasn't too soon for Penny.

Penny is like her second mother, my daughter has always called her Mommy Penny! Especially since we just lost our dear friend Cathy a little over a year ago of lung cancer and my daughter was very close to her too.

I seem to be stuck.

For me, I would have had a dozen kids if I could have, but I couldn't so I'll have to spoil her! Don't worry, my older children are spoiled too! Happy New Year my friends.

I just want to say thank you to everyone who put her on your prayer lists and who have prayed for her behalf.

Please keep Penny in your prayers.

to leave a prayer request for your pets, please go to Paws and Pray.

My dog Ariel is very sick too.
