Penny is out of the hospital and is still very week and I would say she is not well at all, but you all know how we love to shop and today we went shopping to Home Goods.

Ariel is 14 years old and we have had her since she is was a little puppy.

what to do with it! First she was afraid and ran in the other direction sitting at my desk in my bedroom.

and tried to tell her that everything will be alright and to listen to her

This is where I'm only going to share good news about anything at all and to give you some great tips on spreading kindness and to make people smile! I hope you like what I have to share.

My daughter and son were just with her last night and my daughter was very close to her.

He is so heartbroken.
