We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

diagnosis, but it's so hard and scary.

Penny and I have been together since we were about 18 years old, I think I have mentioned that before.

Did I crawl in it.

Penny is still waiting for her pet scan to be scheduled.

I also have prayers in the side column for your immediate use.

I'm not sure what to say but tomorrow she is seeing a lung doctor then schedule her pet scan.

comments Friday Happy New Year~ Hello Friends, Happy New Year to you and your family

We thought we had more time and we even got good news yesterday that the cancer was not in her adrenal gland, only her lung and they thought they could operate.

Waiting for the results of the tests she had done is driving us nuts so a little shopping trip helped her.
